

AreaCon PROFILE

UPDATED JULY 2000

Founded in 1983 AreaCon has grown into a multinational procurements and design firm. From its corporate headquarters in Houston, Texas, AreaCon is continually shaping and refining its practice to meet the demands of the new century.

To best fulfill our commitment to superior service, we have organized our human resources around several areas of specialization. By combining resources with a highly automated project delivery system, AreaCon insures that design excellence is achieved in a context of efficiency and utilization of the latest technologies. The result has been sustained recognition and time constraints for a growing list of loyal clients.

Our Furniture department can assist you with all your needs throughout the execution of your projects. The following is a general overview of the services offered by the department.
